Chadwick Aaron Boseman

1995 TLH *Tidings* Yearbook Picture

Hailing from Anderson, South Carolina and T. L. Hanna High School, Chadwick Boseman is an accomplished actor, scriptwriter and playwright who, until now, was probably best known for portraying the character Nate on the critically-acclaimed dramatic TV series *Lincoln Heights*. Prior

to entering show business, Chad earned degrees at Howard University and the British American Dramatic Academy at Oxford. Here, he plays Jackie Robinson opposite Harrison Ford and Nicole Beharie in *42*, a biopic about the late Hall of Famer's historic breaking of Major League Baseball's color barrier back in 1947.

While at TLH, Chad was active in athletics (basketball and cross country) and was an integral part of TLH's Speech and Debate Team and National Forensic League. He was an honor student who took part in the Advanced Placement Program and was a National Honor Society member.

TLH Boasts Two National Merit Scholarship Winners

Congratulations to [Azfar Hossain](#) and [Alexander Stoll](#) on receiving National Merit Scholarships. From approximately 1.5 million students who entered the 2013 National Merit Scholarship Program, only about 16,000 students were named semifinalists. In order to advance in the competition and be considered for a Merit Scholarship award, a semifinalist had to become a finalist by fulfilling several requirements that included submitting a detailed scholarship application and presenting a record of very high academic performance. All winners of the 8,300 National Merit Scholarships are being chosen from the group of approximately 15,000 distinguished finalists.

Graduation Practice Dates Announced

Graduation Practice is mandatory for seniors participating in the event. If you have a senior who has conflicts with any of the three practices, please have them see me immediately. Students will be permitted to miss only with good cause and with proper

documentation. Those who miss practice without seeing me will be removed from the graduation roster and may pick up their diplomas after the last day of school.

WARNING: Those students who straggle in at 9:15 am for an 8:30 practice will not be admitted. "I overslept" is not acceptable. "I thought it started at 10" is not acceptable. "I had a headache this morning" is not acceptable. "I've already been accepted to college and there is nothing you can do to me now" won't work either. And, by the way, there is something I can do – confer that diploma to the student on the day after school is out in the front lobby of the school – might even take a picture with my cell phone ☺.

The dates are as follows:

Friday, May 24th 8:30 a.m. Mall Area

Tuesday, May 28th 8:30 a.m. Mall Area

Wednesday, May 29th 9:00 a.m. Littlejohn Coliseum

Also, there will be a bus available for students who wish to be transported to Littlejohn on the 29th for practice. They can sign up in guidance to reserve a spot.

Varsity Golf

Sloan Hart, Brady Cox, Bernie McShane, Alex Dorton, Grant Garrison, Coach Rogers (what's with the hat, by the way)

The Hanna golf team survived British Open like weather conditions that featured biting cold and gale force winds to win the Laurens Raider Invitational golf tournament Monday. The Jacket's team score of 323 was 2 shots better than last year's 2A State Champion Pendleton's 325. Gritty play by Seniors **Bernie McShane (80)** and **Sloan Hart (79)**, Junior **Grant Garrison (83)**, Sophomore **Alex Dorton (81)** and Freshman **Brady Cox (84)** helped the Jackets outscore area rivals such as Wren, Greenwood, Laurens and Westside. **Both McShane and Hart** were selected to the all-tournament team. The Jackets will travel to Woodmont Wednesday for a last region match before the break.

Sophomore **Alex Dorton** picked a great time to post his low round of the year. His 1 under par 35 helped the Jacket Golf team save a tie with region rival Hillcrest and beat Woodmont. Both Hanna and Hillcrest shot team scores of 157 while the home team Woodmont shot 178. Also playing well for the 8-1-1 Jackets were fellow Sophomores **John Michael Kubu (40)**, **Graham Farmer (41)**, and Junior **Grant Garrison (41)**. The Jackets will next play in the Wren Invitational April 8 -9.

JV Golf

TL Hanna boys JV Golf team improved to a 3-0 record on the season and were led By **Walton Rogers**. Also posting low scores were **Coleman Farrow** and **Austin McWhinnie** at a very difficult course against a spirited team from Hillcrest High School 186 to 192.

The TL Hanna JV Boys Golf team posted wins over both Riverside and Hillcrest High

School yesterday at Fox Run. Leading the team were **Brady Cox** and **Jake Miller**, posting awesome scores of 37 and 38. The team has matches at Easley today and at Greenwood this Thursday. This improves their record to 5-1. Congrats to **Coach Hymson** and the JV Golf Team.

Palmetto Gold, Silver State Award Winners (District Press Release)

The South Carolina Department of Education announced today the recipients of the Palmetto Gold and Silver Awards for the 2012-2013 school year. The South Carolina Department of Education recognized 662 schools and career centers for general performance, closing the achievement gap, or qualifying in both categories. The Palmetto Gold and Silver Awards program (PGS) began with the Education Accountability Act of 1998, giving recognition to schools for high levels of academic achievement and high rates of improvement. The PGS recognizes schools based on the criteria in the statewide Accountability Manual approved by the Education Oversight Committee (EOC) for both general performance and working towards closing the achievement gap. Within those two categories, a school may be awarded either the gold or silver designation. The EOC revised the criteria for Palmetto Silver General Performance this year, reducing the number of eligible schools.

The following Anderson School District Five schools received:

Calhoun Academy of the Arts – Silver
Centerville Academy of 21st Century Learning – Silver
Concord Elementary School, an International Baccalaureate World School – Gold

ProStart

After weeks of intense preparation the three culinary teams representing the Anderson Five Career Campus (AVCC) have returned from the Carolina ProStart Invitational. Twenty-two SC teams participated and the rankings for the Career Campus' Teams are as follows: Jenny O'Brien's Team placed 8th; Wanda Johnson's Team 11th, and Jodi Durkee's Team 15th. Teams demonstrated their culinary knowledge, skills, and creative abilities during the competition through demonstration of skills mastery and the preparation of a three-course meal. The meal consisted of (1) a starter (such as soup, salad, or appetizer); (2) an entrée, consisting of protein, vegetable, and starch; and (3) a dessert. Their performance during the practical was observed and rated by judges from the food service industry as well as chefs from colleges and universities. This competition

was designed for students capable of high-level food preparation. Participating teams demonstrated their ability to work together while creating and presenting their meals. All items were prepared within 60 minutes utilizing 2 table top burners without the use of electricity, running water or refrigeration. The event was sponsored by the SC Restaurant and Lodging Association. The students' participation reinforced the skills and knowledge learned from the ProStart curriculum.

In addition, Tripp's outstanding athletic contributions on the football field led to some of the most successful years in TL Hanna football history; also, his compassion and love for people built a strong network of close family and friends. His hard work and dedication made him a true competitor on the football field as well as the field of life. Because only one application per high school will be accepted, all applications from TL Hanna must be returned to the guidance office and only one will be selected to represent our school. Applications are available in the guidance office and are to be returned to the guidance office by May 24, 2013.
